

Steel Electric Material Handling Cart No Sides 28 In. x 60 In. 1500 Lb. Capacity Gray

MODEL EMHC-2860-1

Industrial Carts & Dollies / Electric Material Handling Cart

PRODUCT OVERVIEW

Electric material handling carts are ideal for moving heavy loads safely and easily throughout warehouses, offices, schools, and hospitals and incorporates a multitude of features to make light work of heavy loads. Reduce injury and increase productivity with these high quality carts. Features an 800W electric drive motor with (2) two 12V batteries for power and on-board 115V AC battery charger. The handle includes forward and reverse throttle control levers, an emergency reverse switch, a battery level gauge, and a slow/fast speed switch. Pinpoint turning is accurate with the mid-axe drive feature.

KEY FEATURES

- Minimizes pushing or pulling of heavy loads
- Battery powered for long traversing use
- Open platform for simple loading and unloading
- High handle for ergonomic steering
