

# Steel Fixture Welding Table 30 In. x 72 In. x 40-5/8 In. 8000 Lb. Capacity Bare

**MODEL FWT-P-025-3072**

Facilities Maintenance / Fixture Welding Tables

## PRODUCT OVERVIEW

A fixture welding table is a worthwhile addition to manufacturing and industrial facilities. This welding table comes unpainted for grounding purposes during operation. With a steel construction the unit is strong and robust for consistent daily use. Perforated holes are accessible in a variety of intervals for full table top use. The tabletop height minimizes any bending that may occur during use.

## KEY FEATURES

- Bare steel finish
- Consistent hole separation for multiple accessories
- Resilient design for long term use
- Accommodating items large and small
