

# Steel Standard Slope Ladder 58 Degree 9 Perforated 23-9/16 In. Step 350 Lb. Capacity Blue

**MODEL LAD-PW-26-9-P**

Industrial Ladders / Standard Slope Ladders

## PRODUCT OVERVIEW

The standard slope ladder is a portable warehouse ladder for every-day use applications. Perforated steps, handrail included, welded square tubular steel construction with powder-coat blue finish. Rubber feet provided for floor protection. Unit has bottom step lock casters for safe use when climbing.

## KEY FEATURES

- Portable design easily moves through the warehouse
- Top tread design provides a safe non-slip grip
- Bottom step caster lock provides added safety when climbing
- Heavy-duty formed steel construction offers maximum strength
