

# Aluminum Heavy Duty LED Loading Dock Light 40 In. Length Yellow

**MODEL LL-HD-LED-40**

Loading Dock Equipment / Heavy Duty LED Dock Loading Lights

## PRODUCT OVERVIEW

Rugged, heavy duty LED dock loading light provides brighter light than an incandescent light source while only using eighteen (18) watts of power. Encased in a cast aluminum housing with shatterproof polycarbonate lens cover, this unit instantly reaches maximum light output. Light head is up66 rated; can be sprayed down. UL listed. Light bulb included.

## KEY FEATURES

- LED light provides brighter light while only using 18 watts
- Shatterproof polycarbonate lens instantly reaches maximum light
- Light head is IP66 rated and can be sprayed down
- UL listed
