

Steel Personnel Work Platform 50 In. Tall 36 In. x 72 In. Black

MODEL PWPS-50-3672-BK

Industrial Ladders / Modular Steel Work Platform Systems

PRODUCT OVERVIEW

A personnel work platform is a great workplace solution. In confined areas where space is limited, the platform provides the opportunity to maximize work space. The unique design is constructed of steel for strong capacity limits and long term use. With an open style, the unit is accessible from multiple sides making it customizable to best fit the users' preference.

KEY FEATURES

- Powder coated black for baked in added toughness
- Design can be configured to fit a variety of applications
- Fixed height for added stability
- Hardware is included for easy assembly
