

Polyurethane Radio Remote Control 2 Button 2 In. x 4 In. x 6 In. Yellow

MODEL RRC-2PB

Ergonomic Solutions / Radio Remote Control

PRODUCT OVERVIEW

The radio remote control puts the power in your hands (lift, hold, lower). It is lightweight with a two-button remote control that gives the individual more freedom to control the scissor table (range can be adjusted for optimum signal strength and can be reduced if required). The controls are approved to meet part 15 of the federal communications code and designed to prevent crosstalk and false triggering from stray radio frequencies.

KEY FEATURES

- Radio remote control is for ideal lift, hold, and lower operations
- The lightweight two-button remote gives more freedom and control for the scissor table
- Range can be reduced/adjusted if required for optimum signal strength
- Controls meet part 15 of the federal communications code and prevent crosstalk/false triggering
