

# Steel Roller Stand Four-Way 8 Ball Roller 28 In. to 44 In. Raised Height 125 Lb. Load Capacity Black

**MODEL STAND-MF**

Ergonomic Solutions / Deluxe Roller Stands

## PRODUCT OVERVIEW

The deluxe multi-function roller stand is designed for use as an extra hand when working with long materials. This stand has a flat single roller design. The height of each stand is adjusted with a friction lock screw cylinder. The stand is great for use in machine and wood shops.

## KEY FEATURES

- Easy height adjust for different leveled machines
- Light weight construction is easily moved from one location to another
- Wide base design provides extra stability
- Handy design is used as an extra hand when working with long materials
