

# Steel Roller Stand Roller Plate 300 Lb. Capacity Blue

## MODEL STAND-T

Ergonomic Solutions / Deluxe Roller Stands

### PRODUCT OVERVIEW

The roller plate option is ideal for most tubing and bar stock applications. V-groove roller design is infinitely adjustable on either side. The roller plates can also be rotated to create different offsets and to handle larger diameter tubing. The unit has a painted blue finish.

### KEY FEATURES

- Easy height adjust for different leveled machines
- Light weight construction is easily moved from one location to another
- Handy design is used as an extra hand when working with long materials
- Cast steel base provides a solid reliable base
